## **GOP Governor Candidate, Ed Humphreys, Breaks the \$100,000 Fundraising Mark**

(Eagle, Idaho) Ed Humphreys, GOP candidate for Idaho Governor, blew past the \$100,000 fundraising threshold over the weekend at an event held in the Treasure Valley.

“I couldn’t be happier about our fundraising progress in just a few short weeks,” said Humphreys. “It is meaningful because the support comes from regular folks instead of what you typically see in a political campaign. We’ve received no money from special interests, lobbyists, or Political Action Committees (PACs).”
