Humphreys Welcomes His New Daughter to Family

(Eagle, Idaho) Ed Humphreys, GOP Candidate for Idaho Governor, and his wife Holly welcomed a new addition to the family when they delivered a baby girl at St. Luke's in Boise.

The newest Humphreys, Ruby Marcilyn, was born 6 lbs 10 oz, 19.5 inches.

Humphreys said mother and daughter are doing fine and he was happy to have a daughter to join his son, Dallin.

"Ruby has come into the world during a unique time for our family. This experience is so special and a time we will always remember. Like all the other babies born in Idaho, Ruby represents our future. It gives me tremendous hope for the future and stiffens my resolve to fight for American Values to preserve her sacred birthright," Humphreys said.
